*An ATTRACTIVE YOUNG WOMAN strolls a shopping district. Sees a WORKMAN painting a sign on a shop door that says "Bra Fittings." Woman hesitates ... Then enters.*

*OLDER SHOPKEEPER at a desk inside. Woman plops down.*

WOMAN: Wow, am I glad I found you. This is a little awkward ... but you're a professional, right?

*Man smiles benignly. Woman starts gesturing to her boobs ...*

WOMAN: The thing is, these girls just have a mind of their own.

*Man's smile starts to strain ...*

WOMAN: Lefty's bigger than righty, it's like a wrestling match in there.

*Man dabs his brow with a handkerchief as woman rambles on...*

WOMAN: And finding a size ... One day I'm peaches, the next it's fun bag central!

*SHOT FROM BEHIND: Woman opens her blouse to illustrate.*

WOMAN: My mom swears by the pencil test.

*Man picks up a pencil as if to hand it to the woman, but instead points the pencil toward the front door where the workman has finished painting the entrance sign.*

*It now reads: "Brass Fittings & Plumbing Supplies."*

*Woman's face falls off a cliff.*

WOMAN: I can find my way out.
